NEWTIMES HAIR

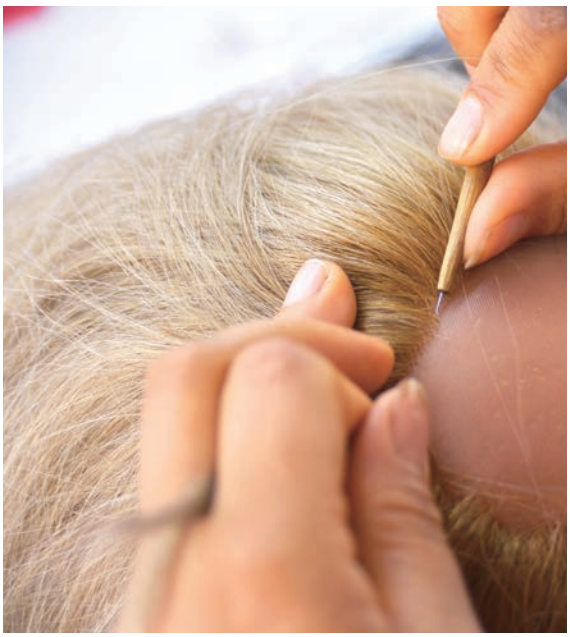

MAKE EVERY PIECE WORTH IT

HAIR SYSTEMS

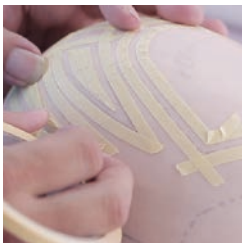

OUR FACTORY

As one of the largest full-stack hair system manufacturers,
Newtimes Hair has an impressive factory spanning over 4,000 square meters. Our dedicated team of 100 skilled craftsmen utilizes up-to-date equipment to produce premium hair systems. Our consistent investment in upgrading our factory and product development has resulted in an exceptional production capacity of over 15,000 hair systems monthly.

All these have helped us meet all our clients' product requirements. Each hairpiece must undergo a series of quality control procedures, including a 6-step quality inspection to ensure each hair system exceeds our clients' expectations.

Our clients around the globe count on our factory to consistently produce the highest quality hair systems for their businesses.

WHY CHOOSE US

AS YOUR SUPPLIER

- Competitive factory-direct prices
- High-quality hair textures with expert ventilation techniques
- Production capacity of up to 180,000 hair systems annually, including custom pieces
- Inventory of over 80,000 pieces in more than 40 styles and 50 colors
- Local warehouses in the US and Europe for faster delivery and better local services
- Dedicated PRD department takes care of all your sample orders
- Certified products, fully compliant with the essential European safety and quality standards for medical devices.

FEATURED SERVICES

DROPSHIPPING

You can buy individual products (not in bulk) from us. We will package the products with your customized packaging (if you like), ship the products to your customer, and have your name shown as the sender.
Dropshipping will effectively minimize your expenses associated with inventory, logistics, packaging, and staffing.

CUSTOM LOGO & PACKAGING

Looking to establish your own brand and expand product influence? New Times Hair is here for you.

We design everything from scratch - your brand logo or private label to custom packaging - aligning seamlessly with your preferences. Every piece of design work is securely stored in our system. When shipping products to you or your clients, we'll use exactly what we designed for you.

Placing online orders is super easy - just leave a note with your packaging name, and we'll handle the rest.

We also welcome OEM/ODM orders. You design it, and we make it for you - partner with us. Together, let's create a unique and impactful brand identity.

CUSTOMIZATION
MEANS HIGH END

We continuously develop new hair system models tailored to your clients' preferences, enabling you to offer unique products that set you apart. With over 100,000 custom orders fulfilled annually, you can count on us to meet all your custom hair system needs.

PROCEDURES OF MAKING A CUSTOM ORDER

Your Sales Consultant

01
Grasp the client's ordering details and confirm order requirements.

02
Send both the custom head template and the recorded head measurements of the client to our factory.

Our Factory

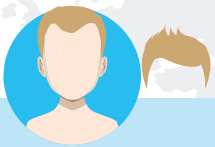

03
Craft a precise base for the order.

Our Factory

04
Undertake the processes of bleaching and dyeing the toupee hair.

Our Factory

05
Match the hair color or grey percentages and ventilate the hair to the base.

Our Factory

06
Wash, condition, style and pack.

Our Quality Inspection Department

07
Conduct a comprehensive product inspection, aligning with the order specifications.

Our Storage and Transportation Department

08
Dispatch the product.

PROCESS HIGHLIGHTS

Use only the finest tangle-free human hair to achieve a smooth texture.

Each strand is processed and colored separately to match the sample or color code provided by the client, followed by an individual color-matching process.

Craft a 1:1 base mirroring the client's head template in shape and size.

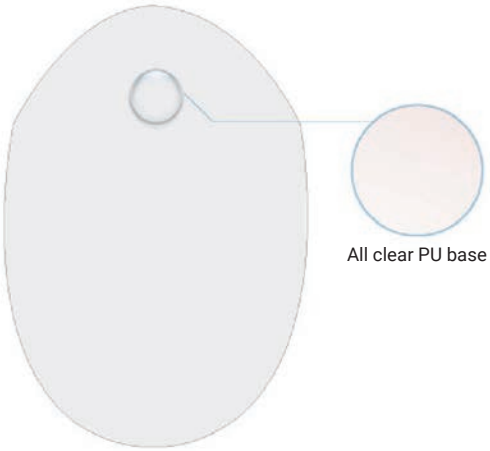

The hair is ventilated meticulously serving the client's preferences, such as density volume,and directions.
